

EH-TW9200

DATASHEET

The powerful new home cinema experience for film fanatics with Full HD picture quality, incredibly high contrast ratio and bright, clear images

Transport the magic of cinema into your own living room with this Full HD 3D projector. With an unbelievably high 600,000:1 contrast ratio in 2D and 3D mode and 3LCD technology, this Full HD projector is the perfect way to enhance your home cinema experience.

3LCD projector

Enhanced by Epson's 3LCD panels, the EH-TW9200 provides superb high-quality images and rich, deep blacks for a wide variety of content. An equally high White and Colour Light Output of 2,400 lumens and ISF certification mean you can watch the latest films with bright and accurate colours in a variety of light levels.

Easy set up

The wide lens shift, powerful zoom lens, automatic vertical keystone correction and centred lens make it quick and easy to set up in a variety of positions, without picture blurring or distortion.

3D Home Cinema

You can watch bright 3D content with Epson's luminance enhancement technology and lightweight, rechargeable Radio Frequency (RF) active shutter 3D glasses¹. Also, the projector easily converts 2D high definition films into 3D, allowing you to experience even more 3D content.

Sharp, clear projections

Epson's Super Resolution technology and Frame Interpolation create a sharp, clear viewing experience with smooth, fluid screen movement for enjoyable entertainment in both 2D and 3D.

KEY FEATURES
